SUSTAINABLE PARCEL DELIVERY WITH MYPUP

You will never miss a package delivery again. It is waiting for you in your locker. Also, no need to leave early to drop-off your own shipments and your returns at a customer service point, because you can send them easily via MyPup without additional charge.

To streamline the increasing flow of packages, we offer the service of MyPup, My Pick up Point. This is

of great benefit to you AND to the environment! Therefore, let all your packages be delivered in the Pick Up Point. This way, we ensure together that only one instead of ten couriers come to your building every day, resulting in a great reduction of carbon emissions and keeping the city clean and liveable.

Thank you for your contribution!

THE BENEFITS OF A MYPUP PICK UP POINT
